Always read the warranty that comes with each spa. These policies and procedures are subject to change at any time and without notice. Throughout this document, LAGUNA BAY SPAS shall be referred to as the "MANUFACTURER". Each spa warranty is given to the original consumer only and terminates upon any transfer of ownership. Commercial applications are excluded from all warranty.

The spa must be set on a level cement slab and/or a level deck surface that is sufficient to support the entire length and width of the spa. Standard building practices must be followed. Damage caused by failure to have a properly leveled and supported foundation under the spa is not covered under warranty. The MANUFACTURER does not warrant against problems associated with prolonged standing water, prolonged exposure to sunlight and/or use of any sanitation or ozone system not approved by the MANUFACTURER. Damage to the spa surface caused by leaving the spa uncovered and empty of water with direct exposure to sunlight will terminate this warranty. Any alteration to any system, including but not limited to electrical, plumbing, or mechanical, or over-use of chemicals, or any other problems caused by an external source are not covered under warranty. Other exclusions may apply. Please read the warranty thoroughly.

Normally, problems associated with material and workmanship can and will be repaired. If the spa surface is repaired, the repair is limited to the affected area only, and there is no guarantee against discoloration or fading. In all cases, pictures of the effected area and foundation of the spa must be provided before any decisions to repair or replace are made. In the unlikely event of a spa replacement, all warranties
